RESOURCES, continued

- ◆ Using NCLB Funds to Support Extended Learning Time: Opportunities for Afterschool Programs Strategy Brief 2005, The Council of Chief State School Officers (describes how afterschool programs can be funded under certain NCLB programs) <http://www.financeproject.org/publications/usingnclbfunds.pdf>
- ◆ National Institute for Out of School Time (NIOST) Web site - Mission is to ensure that all children, youth, and families have access to high quality programs, activities, and opportunities during non-school hours <http://www.niost.org>
- ◆ National Partnership for Quality Afterschool Learning - SEDL and seven other organizations comprise the National Partnership for Quality Afterschool Learning to provide research-based models, tools, and assistance for those who provide afterschool programs. <http://www.sedl.org/work/projects/afterschool-8.html>
- ◆ Charles Stewart Mott Foundation Afterschool Programs – provides support for community education, a public-private partnership in support of 21st Century Community Learning Centers (21st CCLC). This supports the Foundation's long-held beliefs in community education. <http://www.mott.org/21/>
- ◆ The After School Institute - a Baltimore-based capacity-building organization whose mission is to provide after-school programs with the training and support they need to offer children and youth quality after-school and out-of-school opportunities. <http://www.afterschoolinstitute.org/>
- ◆ The Afterschool Alliance - a nonprofit organization dedicated to raising awareness of the importance of afterschool programs and advocating for quality, affordable programs for all children <http://www.afterschoolalliance.org/>
- ◆ The School Age Care List (SAC-L) - an on-line discussion for people interested in school-age care planning, resources, activities, funding, staff and staff development, and related subjects. It is co-owned by the National Institute on Out-of-School Time (NIOST) at the Center for Research on Women at Wellesley College and by the ERIC Clearinghouse on Elementary and Early Childhood Education (ERIC/EECE). <http://ecap.crc.uiuc.edu/listserv/sac-l.html>

helptoachieve.org

Website's Dual Purpose

1. Serve as a primary source of information for teachers and administrators
 2. Make the large amounts of existing data easier to access
- 
- A stylized, dark blue mountain range graphic is located in the bottom right corner of the slide, extending from the right edge towards the center.

helptoachieve.org

The site deals with three subgroups:

1. Economically disadvantaged students
 2. Students with disabilities
 3. Limited English proficient students
- 
- A stylized, dark blue silhouette of a mountain range is positioned in the bottom right corner of the slide, extending from the right edge towards the center.

helptoachieve.org

**The site provides information
in three categories:**

1. Materials and Products
2. Instructional Strategies
3. Research

Grantees Asked for It

- ◆ Ways of handling snacks for programs
 - ◆ Contact information for other program directors
 - ◆ Web site(s) to share ideas on effective programming and sustainability
- 
- A stylized, dark blue silhouette of a mountain range is positioned in the bottom right corner of the slide, extending from the right edge towards the center.
